MIRROR

Volume VIII

June 2019

Greetings on the successful launch of the eighth volume of the biannual news letter "MIRROR" and the first volume of its Hindi edition 'DARPAN'. Healthy is not a goal. It is a way of life. A healthy body is always the result of healthy thoughts and attitude. Good health is essential for every student and when it is coupled with self discipline and moral values it adds great strength to his character.

A disciplined and healthy person can definitely achieve his goals faster. So, live healthy, be disciplined, nurture moral values and follow your dreams.

With Regards.
