**2. 25 Aug. 2018, Installation of Sanitary Napkin vending machine - An initiative by women empowerment cell**

Mrs. Pratibha Pundlik said that a social taboo was observed to be attached with sanitary napkins, wherein a majority of girls and women hesitate to go to medicine outlets to buy them. This results in unsafe practices and the use of unhygienic materials during their menstrual period. This is in line with “Swachh Bharat” scheme as well as the “Beti Bachao” maintenance of the hygienic needs of the female staff and students. The vending machines were installed to ensure an effective, safe and convenient mode for any time access to sanitary napkins. The purpose is to promote safe and hygiene-sanitary practices among women’s and girls.
