P.G. COLLEGE, KORBA (C.G.)

The screenshot shows a mobile application interface for 'ABVV Notification/Updates'. At the top, there's a circular profile picture of a person wearing a green cap and a blue t-shirt. To the right of the profile picture, the text 'ABVV Notification/Updates' is displayed. Below the header, there's a section titled 'Media, links, and docs' which lists several items: 'FETI', 'B.Tech', 'M.Tech', 'M.Sc', 'M.Com', and 'M.A'. Below this section, there are four main settings options: 'Mute notifications' (with a muted bell icon), 'Custom notifications' (with a volume icon), 'Media visibility' (with a video camera icon), and 'Encryption' (with a lock icon). Under the 'Encryption' section, a descriptive text reads: 'Messages and calls are end-to-end encrypted. Tap to learn more.' At the bottom of the screen, there's a summary of '249 participants' and a search icon.
