Year	2016-17
Field Visit/Educational Tour	Geographical Educational Visit Puri Odisha
Date	12-15 Feb.2017
No. of Teachers participated	04
No. of Students participated	22
Content	<ul style="list-style-type: none">• The aim of educational tour was to fulfill the curriculum of M.A. Geography.• Dr. B.L. Sai explained about geography of Puri. He said that Puri is in the coastal delta of the mahanadi river on the shores of the Bay of Bengal in the recent days it was near to Sisupalgarh. Then the land was drained by a tributary of the Bhargavi River, a branch of the Mahanadi River this branch underwent a meandering course creating many arteries altering the estuary, and formed many sand hills.• Mr. Manoranjan Singh explained about Konark sun temple. He said that about the appearance of a 100 foot high chariot with immense wheels and horses, all carved from stone.• This educational visit helps students about the geography of Puri.
